ABOUT

Ambitious Football Academy

Former Indian international player Steven Dias along with his former club teammates Vijith Shetty and Santosh Koli, formed Ambitious Football Academy, with an only aim and strong belief to groom the grassroots football of India by involving young kids who want to make a career in Football, by providing them with the right education about the game. The Mumbai based academy is committed to contribute towards nurturing and growing Indian football.

Vision:

We aspire for creating players of international quality and give outstanding experience to everyone connected with the academy.

Mission:

Design the best suitable environment and competitive yet fun-filled coaching curriculum for the players.

Objective:

To make "Ambitious Football Academy - affiliated with All India Football Federation (AIFF)", the Number-One Football Academy of India.

Benefits To Kids:

- | | |
|---|---|
| 1. To learn right techniques | 6. Wider scope to play for other top teams of the city or country. |
| 2. Better tactical aspect to learn | 7. Opportunity to play District League, District team, State team, National Team. |
| 3. Good Athleticism | 8. High probability to play in I-league, ISL and other top leagues. |
| 4. Game playing personality | 9. India Tour, International tour (Exposure tour) |
| 5. Get chance to play for Ambitious' main team. | |
